Artistic Director, Linda Sohl-Ellison is looking for one male dancer who is available to rehearse immediately and perform October 23, 24 2009 at Rhapsody In Taps' annual Los Angeles Season at the Aratani Japan American Theatre and on November 14, 2009 at the Robert B. Moore Theatre (future dates TBA).

The company is seeking a skilled male tap dancer, 21 - 38 years old, physically fit, for our apprentice program. Desirable qualities: Strong tap skills, time keeping and musicality, good work habits, reliable and mature, positive attitude and the ability to move through space while tapping. Dance training in other movement styles is a plus. Openness to a rehearsal process for rhythm tap concert work, creative experimentation and working in a variety of music styles are important. Company rehearsals are on Sunday afternoons in Long Beach and Wed evenings in Costa Mesa. Dancers must already live within driving distance to rehearsals (i.e., not out of state). We are looking for a dancer who can make a **long term commitment**. Please view the company website and videos if you are not familiar with Rhapsody In Taps before making contact. Dancers will be auditioned individually. Tap dancers with the above skills/qualities who are able to make a commitment should contact Linda Sohl-Ellison:
